Why Overheat Yourself?

Much of your summer pleasure depends upon having a cool and comfortable kitchen. Why not be prepared for hot days before they come? Ask your dealer to show

the New Perfection Wick Blue Flame Oil Cook-Stove.

It's a wonder. Does the work of your big range in every particular, but

has this great advantage over it, that it never heats the kitchen. The

Wick Blue Flame Oil Cook-Stove

makes summer days endurable. Think of preparing a meal in less time than you'd do it on the coal range, and then sitting down at table with the family-not overheated, but entirely comfortable.

That is the way you will do when you have a "New Perfection Oil" Cook-Stove in your kitchen. Made in three sizes; fully warranted. If not with your dealer, write our nearest agency.
